**Meeting ID:** 871 0877 8642

Press and public are cordially invited to attend. Those wishing to join the meeting should contact the clerk on [townclerk@leominstertowncouncil.gov.uk](mailto:townclerk@leominstertowncouncil.gov.uk) in advance for the meeting password.

Julie Debbage  
TOWN CLERK

## AGENDA

### 1. APOLOGIES FOR ABSENCE

Schedule 12 of the Local Government Act 1972 requires a record be kept of the members present and that this record form part of the minutes of the meeting. Members who cannot attend a meeting should tender apologies to the Town Clerk as it is usual for the grounds upon which apologies are tendered also to be recorded. Under Section 85(1) of the Local Government Act 1972, members present must decide whether the reason(s) for a member's absence are acceptable.

### 2. DECLARATIONS OF INTEREST

Under the Localism Act 2011 (sections 26-37 and Schedule 4) and in accordance with the Council's Code of Conduct, members are required to declare any interests which are not currently entered in the member's register of interests or if he/she has not notified the Monitoring Officer of it.

### 3. REQUESTS FOR DISPENSATIONS

To consider requests for dispensations (must be notified in writing).

### 4. QUESTIONS FROM THE PUBLIC (maximum 15 minutes)

- (b) **The Income & Expenditure Report and budget notes for Month 9** – Council **RESOLVED** to accept Income & Expenditure Report and budget notes.

### 66/20 BUDGET 2021/22

Council reviewed the final budget presented for 2021/222 financial year that had been developed by the appointed Budget Task & Finish Group. Public consultation had taken place by means of an online survey and engaging with residents at the Farmers Market and this had informed the budget setting process. A summary of the results will be published shortly.

Following discussion, it was proposed by Cllr. Bartlett, seconded by Cllr. Rumsey and **RESOLVED** to formally adopt the Budget for 2021/22. Thanks were extended to the Budget Task & Finish Group for all their hard work.

### 67/20 PRECEPT 2021/22

It was proposed by Cllr. Murdoch, seconded by Cllr. Thomas and voted by Cllrs. Rosser, Rumsey, Davies, Norman, Smith-Winnard, Parris, Preece, Bartlett, Herschy and Marsh and **RESOLVED** to request a precept of £544,536 from Herefordshire Council for 2021/22, which would result in a Band D charge of £158.02, an increase of 4.25% on last year.

### 68/20 STANDING ORDERS AND FINANCIAL REGULATIONS

Council **RESOLVED** to adopt the amended Standing Orders for 2020/21.

Finance & General Purposes – Cllr. Marsh

Planning & Highways – Cllrs. Herschy and Parris

Environment & Services – Cllrs. Williamson and Bartlett

Communications & Events - TBC

**71/20 REPORTS**

The following reports were received;

**Leominster South Ward Report from Ward Cllr. Marsh**

The council noted the report contained in the agenda.

**Leominster North Ward Report from Ward Cllr. Stone**

The council noted the report contained in the agenda.

Cllr. Stone added that whilst the toilets were open in Central Car Park and The Grange 8am – 2pm Monday to Saturday, that all of the Herefordshire Council toilets in Leominster Bus Station were closed. This is because of an electrical fault and the contractors are waiting for a part. Broad Street toilets are open as usual.

The Head Teacher of Earl Mortimer College has provided a reassuring report on the homeworking situation and that GCSE work is still being carried out with help from laptops provided by the government.

**Leominster West Ward Report from Ward Cllr. Norman**

The council noted the following report;

Can I begin by wishing everyone a very Happy New Year! Things are beginning to look a little more positive as health and care workers and many older and more vulnerable people are getting their first coronavirus vaccination. I think we are likely to be in lockdown for some time yet as the protection takes some weeks to kick in, and most people have not yet had their second jab. However, Herefordshire has made an impressive start with very high numbers being vaccinated through efficient organisation across the county.

Things were very confused before Christmas, with Herefordshire moving from one tier to another at short notice, and it was difficult to keep up with the rules and expectations. Sadly, numbers of infections and hospital admissions went up sharply after Christmas, and the hospital is now under very severe pressure, although there has been a slight downturn in the past week. Most people are taking the care needed with staying home except for exercise and essential shopping, and distancing and wearing masks when near others. Unfortunately, there are still a selfish few persisting with socialising and putting other at risk,

## MINUTES

especially our health and care workers who continue with their support for those who are ill or in need of essential care.

Schools are still closed except to the children of key workers and vulnerable children. Numbers attending are quite a lot higher than during the last lockdown, because those who cannot learn on-line or do not have space for working at home are also able to attend this time. Testing in schools has started and will begin to make a difference, but schools are unlikely to be able to fully open safely until teachers and school staff are vaccinated, something I and council colleagues have been calling for. Herefordshire Council has made arrangements to cover the cost of providing free school meals (FSM) over half term and during the Easter holiday, if the government does not meet this need. There are increasing numbers of families in need as businesses close, jobs are lost and incomes reduced due to the lockdown and reduced economic activity.

Flooding has been a huge problem once again, with emergency services flat out supporting those whose homes have been flooded, roads closed, vehicles stranded and all the other problems this causes. Although the weekend snow was a lovely sight to wake up to, it will increase the problem with ground already totally saturated. The weather continues to look unsettled for some time to come.

I welcome the appointment of a new chief executive of Herefordshire Council, Paul Walker, as the current chief executive, Alistair Neill, retires. Paul will take up the post in April and bring a new perspective to the challenge of revitalising and regenerating the county following the pandemic.

A number of meetings have been held with councillors and business representatives to consider future plans for Leominster with funding from the Market Towns Investment Fund, a project to support development in Leominster and boost our local economy. Issues discussed included the need for roads improvements, better broadband, buildings refurbishment, visitor accommodation, visitor attractions, including our heritage, festivals, our landscape and countryside, walking, cycling and much more.

I end by thanking all those involved in providing support and services during these very difficult times, those providing health and care, emergency services, our town and county council staff, and all those volunteering and offering support within our communities.

Cllr. Norman reiterated Cllr. Stone's comments with regard to Earl Mortimer college and highlighted that although laptops are available for pupils, there were other issues that they face such as poor internet connections and the provision of quiet spaces to work.

### **Leominster East Ward Report from Ward Cllr. Bartlett**

The council noted the following report;

So far 2021 seems to have got off to a rocky start, but the roll out of the vaccine gives us all hope that some normality can be restored this year.

### 2021/22 Budget and Covid-19 financial pressures

The impact of covid-19 on finances has been huge for Principle Authorities up and down the country, just as it has been for the Town Council and businesses.

The County council tax base for 2021/22 has declined by 2%. This reflects an increase in excess of 25% of working age council tax reduction claimants, an increase of 1,400 households throughout the county receiving council tax discount due to the low level of income the household receives. Under current local government budgetary rules this loss of council tax income must be absorbed through budget savings elsewhere in our council budget. This is the first time anyone can remember the council tax base income has gone down over a year's budget, it is unprecedented!

In response to the national pandemic central government have awarded grants to cover expenditure e.g. Talk Community additional help, PPE to care homes, food parcels etc., however this is only expected to cover around 70% of the cost. Other costs, such as early free parking in council car parks to support the local economy has to be absorbed 'in house'. In response the council have taken the decision to raise the ring-fenced adult social care precept back up to 3% and the core council tax to 1.99%. The ring fenced adult social care precept was introduced by the Government in 2017 so that the additional costs of looking after residents a council has to meet are raised through the local precept, rather than funded by central government.

### Adult & Wellbeing Scrutiny Committee

The committee have considered the new Market Position Statement for adult social care and Learning Disabilities. This rather unassuming title refers to our strategy for working with partners over the next few years to deliver and or commission services, as well as building on the new Talk Community successes. So very much linked to the adult social care ring-fenced money and how we make it work better for all of us.

### Re thinking Governance Task and Finish

Much of my time in December was spent working on the review of our governance processes and our Constitution. The main focus has been on Scrutiny and planning and how well the current committee systems are working. Changes made in 2017 to the constitution have never been evaluated and these have also been part of our remit this month.

### Mental Health Advisory Group and Blue Monday

I continue to attend the newly formed Mental Health Advisory Group forum. The mental health transformation of services in the county continues in partnership with MIND. These services are now aligned at the local level with the NHS Primary Care Networks (PCN's) that Talk Community and Parish summits are. So everything is becoming much more joined up at the local level.

Blue Monday, the most depressing day of the year fell on January 18<sup>th</sup>. The gloomy title is due to a combination of post-Christmas blues, cold dark nights and the arrival of unpaid credit card bills. It has become an annual day in recognition that our mental health is really important, especially this year when we add lock down and covid to the mix.

### Leominster Area Neighbourhood Development Plan review

I continue to chase for news of our 'critical friend' review which has been offered by planning to help us understand what works, doesn't work, or what could work better in our

neighbourhood plan. How we respond to planning applications is vitally important if we want Herefordshire Council to listen to our requests.

### Trees Woodlands and Hedgerows all members briefing

This half day seminar set out what, when and how decisions are made about trees in towns and the countryside. Whilst it was very informative and a lot to take in, I still came away feeling that there should be more we can do to protect the trees in our town.

### Full Council

At the December council the revised Licensing Policy was adopted. I am pleased to see that the HAND Scheme has been given greater recognition and statutory footing. Under this scheme licensees work together with the police and council to reduce anti-social behaviour in the city and market towns.

The council bestowed Lady Darnley, the retiring Lord Lieutenant the title of honorary freewoman of Herefordshire. Lady Darnley was a regular visitor to and supporter of our civic and community life here in Leominster.

## **72/20 CONFIDENTIAL ITEMS**

As certain items to be discussed included the consideration of exempt information, Full Council **RESOLVED** that, in accordance with Section 100A(4) of the Local Government Act 1972, the public be excluded during the discussion of the matters referred to in the items listed below, on the grounds that they would involve the likely disclosure of exempt information, as defined in the respective paragraph of Part 1 of Schedule 12A of the Act, and the public interest in maintaining the exemption outweighed the public interest in disclosing the information.

### **(a) Grant Funding Ratification**

- Council noted both grant applications that had been submitted and asked for further supporting information. The applications will be reviewed at the next meeting.

### **(b) Staff Report**

- Council noted the staffing report and **RESOLVED** to accept all the recommendations contained in the report. A confidential appendix will be provided with the minutes.

### **(c) Potential Devolved Asset Acquisition**

- Council noted the three potential Devolved Assets.

### **(d) Museum Partnership Verbal Update**

- Council noted that the Museum Partnership had now come to an end. A comprehensive report detailing the three-year project is currently being completed.

**MINUTES**

**73/20 DATE OF NEXT MEETING**

Council noted that the next Town Council Meeting would be held on Monday 29<sup>th</sup> March 2021 commencing at 19:00 hours either remotely via Zoom or at the Council

Offices, 11 Corn Square, Leominster HR6 8YP depending on social distancing regulations being relaxed by central government.

There being no other business the Mayor thanked everyone for their attendance and closed the meeting at 20:58 hours.

## PH129/20 DECISIONS

The following planning decisions received from Herefordshire Council were noted. These were presented at the meeting.

### **Leominster East**

**Number:** P203124/F

**Current status:** Determination Made

**Decision:** Withdrawn

**Type:** Planning Permission

**Location:** Land of 40 and 40a Broad Street, Leominster, Herefordshire HR6 8BS

**Proposal:** Proposed demolition of a section of wall to create vehicle gate and parking area serving 40 and 40a Broad Street.

**Comment:** Objection

Leominster Town Council strongly objects to this application and wishes to echo the reasons raised by Leominster Civic Society, in particular the historic and visual importance of the Burgage wall, the importance of the area, which is highlighted in the new interpretation panels that will shortly be installed and the loss of residents parking along Arkwright Close. This will require the lifting of the TRO and will take away much needed residents parking.

**Location:** Land adjoining Hengrave Green, Ivington, Leominster, Herefordshire HR6 0JL

**Proposal:** Application for variation of conditions 9 and 12 of planning permission 161189/O (Erection of 7 dwellings with associated vehicular access, parking and

landscaping). In order to allow lawful commencement of the planning permission prior to expiry on 1st Feb 2021.

**Comment:** No Objection

### **Leominster South**

**Number:** P203447/FH

**Current status:** Determination Made

**Decision:** Withdrawn

**Type:** Full Householder

**Location:** The Crabtree, Hyde Ash, Leominster, Herefordshire HR6 0JR

**Proposal:** Removal of Condition 3 of permission 172551/FH - Proposed conversion of building into ancillary living accommodation - to allow building to be separately let.

**Comment:** Objection

Leominster Town Council object to this application because they believe that it would still be contrary to the policy of the local planning authority to grant permission for a separate dwelling in this location having regard to Policy RA2 of Herefordshire Local Plan-Core Strategy and the National Planning Policy Framework.

### **Leominster South**

**Number:** P203467/FH

**Current status:** Determination Made

**Decision:** Approved with Conditions

**Type:** Full Householder

**Location:** Glaslyn, Barons Cross Road, Leominster, Herefordshire HR6 8RS

**Proposal:** Proposed detached single storey double garage.

**Comment:** Objection

Leominster Town Council object to this application on the grounds of overdevelopment. The site has another application live to double the size of a workshop as well as this application to build a double garage and it is felt that this conflicts with the Leominster Area Neighbourhood Plan 3 To create a greener Leominster viii. Discourage the infilling of green spaces such as gardens.

### **Leominster South**

**Number:** P203928/K

**Current status:** Determination Made

**Decision:** Trees in Cons Area Works Can Proceed

**Type:** Works to Trees in a Conservation Area

**Location:** 171 Bargates, Leominster, Herefordshire HR6 8QT

**Proposal:** Proposed works to Ash Tree - Root growth causing breaking up of footway and danger/trip hazard to passing pedestrians.

**Comment:** No Objection - The work to make the footway safe has been requested for some considerable time but the work has been carried out before permission has been granted.

**PH130/20 HIGHWAYS AND PARKING MATTERS****(a) Highway and Parking Matters**

- **Green Lane Traffic Regulation Order**

The committee supported the proposal to implement additional Waiting Restrictions and Residents Parking Bays in the vicinity of Green Lane, Leominster. This specifically comprises the introduction of:

- Additional No Waiting at Any Time (Double Yellow Line) Restrictions on Green Lane and its junctions with Townsend Court, Townsend Close and The Meadows
- Limited Waiting Parking Bays on Green Lane
- Residents Parking Bays for eligible properties on Thomas Court, Green Lane and Townsend Court.

**PH131/20 LICENCING MATTERS**

Committee noted that no licencing applications had been received.

**PH132/20 DATE OF NEXT MEETING**

Committee noted that the next meeting would be held on Monday 8<sup>th</sup> February 2021 commencing at **18:00 hours** either remotely via Zoom or in the Council Offices, 11 Corn Square, Leominster, HR6 8YP depending on the lifting of social distancing restrictions by central government.

There being no other business the meeting closed at 19.25 hours.

## PLANNING & HIGHWAYS COMMITTEE

Minutes of the Planning & Highways Committee meeting held on Monday 8th February 2021 commencing at 18:00 hours remotely via Zoom.

---

**MEMBERS PRESENT:** Councillors Williams (Vice-Chair), Herschy, Parris, Rumsey and Thomas.

Councillors Rosser (Chair) and Preece were unable to join the meeting due to technical issues and the meeting commenced at 18.08.

**ALSO PRESENT:** One member of the public

**OFFICERS PRESENT:** Town Clerk, Democratic Services Officer

### **PH133/20 APOLOGIES FOR ABSENCE**

No apologies for absence were received.

### **PH134/20 DECLARATIONS OF INTEREST**

There were no Declarations of Interest made.

### **PH135/20 HEREFORDSHIRE COUNCIL MEMBERS**

There were no Herefordshire Council members in attendance.

### **PH136/20 REQUESTS FOR DISPENSATIONS**

No requests for dispensation had been received.

### **PH137/20 QUESTIONS FROM THE PUBLIC**

One member of the public was present. The following concerns were raised regarding planning applications P202598 and 202599:

- The applications are intrinsically linked with planning application P160811 where an integral condition for planning permission was the introduction of traffic calming measures and a reduction in the speed limit to 30mph on the road created in that development. This TRO has yet to be completed;
- The development would mean an increase to 10 vehicles using the site;
- The current development has created access issues in the village due to construction traffic;
- An area was identified in the Neighbourhood Development Plan 2017 that can't be built on;
- There was no information as to how the apartments would access water;
- The proposals in the plans for the treatment of sewage is incorrect. The sewage will flow into a septic tank used by other properties and the concern was whether this would be large enough.

## PH138/20 MINUTES OF PREVIOUS MEETING

It was **RESOLVED** that the minutes of the Planning & Highways Committee meeting held on 18<sup>th</sup> January 2021 be agreed and will be signed as a correct record when social distancing restrictions are lifted.

## PH141/20 HIGHWAYS AND PARKING MATTERS

### (a) Highway and Parking Matters

- It was noted that there are a significant number of potholes along The Bargates and Barons Cross Road and also in other areas around Leominster. The clerk has received complaints from residents about the roads and will write to Balfour Beatty regarding the condition of the A44 in particular and the dangers it poses;
- It was noted that, following works carried out on Broad Street by Welsh Water, drains are blocked and the entrance to Arkwright Close is covered in water;
- The committee raised concerns regarding the condition of the bridge on Bridge Street. The clerk will confirm with Balfour Beatty that they check the structural condition of the bridge;

- Passa Lane – The clerk advised that an email had been received from a resident regarding the condition of the lane and that it is being used as an unofficial bypass. The committee **RESOLVED** that the clerk should investigate the installation of Unsuitable for Large Vehicles signage on the ends of the lane and the clerk will initially approach the Ward Councillor to seek their support;
- It was reported that residents of a house at Cobnash had been unable to use their water supply as a result of drainage work performed by Balfour Beatty to the road outside their property. The clerk has contacted Balfour Beatty and the problem will be rectified as soon as possible.

**(b) Leominster Primary School Crossing Patrol**

Committee noted that, following support from Leominster Town Council to

continue with recruitment for this post, the post is now being advertised on Hoople and the Town Council website.

**(c) Heritage Action Zone Public Realm Project**

The clerk provided the following update to the committee:

- A meeting has been held regarding planning and infrastructure;
- The HSHAZ Project Manager has been appointed;
- A further appointment of a Highways Project Manager is due to be made;
- Work to Corn Square and the wider public realm is estimated to be one year;
- Funding is a year behind plans due to COVID-19 but project timelines remain the same;
- Further information regarding the project will be sent out as it is received.

**PH142/20 LICENCING MATTERS**

Committee noted that no licencing applications had been received.

- To set the date for the Annual Town Council meeting at 7:00pm on 24<sup>th</sup> May 2021;
- To put an order for further road closures together for events from June onwards when more information has been received from event organisers and risk assessments have been completed.
- That, following discussion with Herefordshire Council, the May Fair dates will be put back until later in the year when social distancing measures are relaxed. The Town Council would be happy to support the opening as a Civic event as usual.

The Projects & Grants Officer gave the following verbal update;

Signage Project

- There are only two final signs to be installed – A finger post at Leominster Priory and an interpretation board at the Railway Station.
- The project will be promoted via the town council website and an audio version of each sign will be produced.
- The Projects & Grants Officer would like to acknowledge the volunteers that made the signage project possible.

HSHAZ Cultural Consortium

- The initial feedback from the Cultural Consortium bid has been very good and it is hoped that an offer will be received in the next week.
- A full report will be presented at the Full council meeting on 29<sup>th</sup> March 2021.

It was proposed by Cllr.Thomas, seconded by Cllr. Rumsey and unanimously **RESOLVED** to formally thank the Projects and Grants Officer, on behalf of the residents of Leominster, for her work on the Signage Project and HSHAZ Cultural Consortium.

Leominster South Ward report, 22 March 2021

Parish and town councils play such an important role! Entrusted with doing their best for their community with the modest resources available through the council tax precept. I was pleased to speak about Leominster as an excellent example of an engaged town council in the Herefordshire Council budget debate. Our councillors do an excellent job for the town and put in a great deal of their own unpaid time, skills and effort for the community good. Using the precept, the parish council, ably guided by our Clerk, are able to provide services for Leominster that no-one could manage alone. And I am particularly grateful for town and parish councils as Herefordshire Council now has to make the deepest budget cuts in 10 years, due to loss of income during the pandemic and also extra costs associated with it. Government has covered about 70% of the costs - but that has still left a major shortfall. That is why there has had to be a council tax increase.

Covid cases in the county are now (23 March) low at 30 per 100,000 and the vaccine rollout is going well. However it's likely there will be more cases with the schools now back in operation and other relaxations on the horizon, if things go as hoped. I was pleased to hear recently from Leominster Primary School how well parents and children are co-operating with the rigorous systems in place to keep everyone safe. Case rates are low, which is a considerable achievement for such a large school. Thanks to all the staff for their extra efforts and to children and parents for the care they are taking to keep everyone well. I'm reassured that our track and trace system is being operated by Herefordshire Council staff, using their local knowledge. We all hope there will be more chance to get out and about this summer. The new Visit Herefordshire website is now live, which we hope will attract more visitors to our lovely county.

Market towns provide vital services to their surrounding villages and it is vital that Leominster remains an important destination for surrounding villages and countryside. The strong partnership between Leominster Town Council and Leominster in Bloom continues to boost the town's attractiveness, as well as involving many groups. Leominster's new Heritage Action Zone officer has now started work and an economic development plan for the town is also being drawn up. Our town and high street face many challenges relating to Covid, so the work of these two programmes will be a major help in finding good ways forward.

Earth Day this year is being celebrated from April 20-22<sup>nd</sup>. I know residents care about deeply about our surroundings and the plant and animal life we share it with. We can all make a difference, however small, and I'm sure you will find ways to make a contributions. Leominster in Bloom have many opportunities to take part and brighten up our town. Also 'Hereford Community Clean Up Group' are combining their efforts with other groups around the county to do a Herefordshire litter pick. For more info see <https://fb.me/e/4i2bKhsST?ti=icl> Educating people on the many downsides of littering is vital: dropping litter is of course an offence under the 1990 Environmental Protection Act.

## **Ward Councillor report Leominster North & Rural March 2021**

I begin my Report on a positive note with the first day of Spring arriving and the clocks changing to British Summer Time next Sunday March 28<sup>th</sup>. A time for hope, light evenings and more time outdoors after the long winter.

### **Covid news and the vaccination roll-out**

It is difficult to believe that it is a whole year since the beginning of the first lockdown on March 23 2020. As the third lockdown restrictions start to ease the number of positive cases and hospital inpatients in Herefordshire is the lowest since last October. There were 51 new cases in the week ending on March 11 and although numbers fluctuate from week to week the trends continue in the right direction. It is all the more important to continue social distancing, wearing face coverings and all the other tiresome but necessary restrictions. The return to school for all pupils on March 8<sup>th</sup> was very welcome and from March 29<sup>th</sup> outdoor sports and other outdoor activities can resume. I look forward to Leominster FC and our other local football teams playing again and being able to sit in a neighbour or friend's garden. I know I shall have to wait a bit longer for a haircut so I hope the road map dates will stay in place! Caution is the watchword and I agree with this approach.

There are now 8 sites for community LFD testing across the county and all businesses are now eligible for the testing of staff. 3.7m clinically extremely vulnerable people in England will be informed they are no longer advised to shield from 1<sup>st</sup> April. They will receive letters with updated guidance.

### **Vaccinations**

The extraordinary vaccination programme continues with 91,000 Herefordshire residents now having received their first vaccination. The NHS is inviting people over 50 and there was a record 840,000 first or second doses administered nationally on Saturday March 20<sup>th</sup>. It is a huge achievement by the NHS. There is an issue with supply in April so the over 40s will have to wait until May but it is most important that people attend for their second jabs when they are called. I have heard many good reports of the efficiency and professionalism at the vaccination centre in Bridge Street and the helpful and cheerful volunteers. Many thanks to them all. Anyone who wishes to volunteer can contact HVOSS [www.hvoss.org.uk](http://www.hvoss.org.uk)

### **Balfour Beatty**

I hope with Spring here and less cold weather there will not be many more gritting runs needed. BBLP can then concentrate on repairing the potholes which are now infesting our streets and lanes across the county. Meanwhile I am pleased to report the faulty street light on the pelican crossing in Bridge Street has been replaced at last. There are now new yellow globes adorning the very busy pelican crossing, so a result at last! Flooding has continued to be a problem in January and February with the C1055 Kimbolton to Hamnish road closed for over a month. This caused great inconvenience with long diversions, especially for farmers moving livestock and starting lambing. I am pleased to say that the road reopened on March 12<sup>th</sup> after a Balfour Beatty army descended to unblock the drains and remove silt from the road. The C1055 is closed again this week due to drainage work near Widgeon Hill. I hope for more long-term work to solve the flooding problem at Stanley Bank or it will happen again.

### **Leisure Centres funding boost**

HALO facilities have received a helping hand to get back up and running thanks to a new grant scheme. Herefordshire Council has received £ 460,000 from the National Leisure Recovery Fund to allocate to HALO Leisure. This is the maximum amount that could have been allocated and seeks to allow leisure facilities to reopen to the public in due course. Good news for Leominster., our swimming pool and Sports Centre.

### **Free school meals**

The Council is funding a scheme that ensures 3,200 primary and secondary pupils will receive free school meals during the Easter holidays through their schools. Food vouchers up to the value of £80 will be available for those eligible at Easter break which will take the pressure off many families especially with the increase in unemployment.

The return to school for most children has gone remarkably smoothly and our thanks to all teachers who have since January provided online lessons as well as teaching key workers and vulnerable pupils who have attended school during the lockdown.. All children will now benefit from the regular school routine and seeing their friends and teachers. All was going well when I attended the governors virtual meeting at Kimbolton School last week.

### **Other news**

I have attended two recent Full Council meetings which have been mainly about debating and approving the budget and Council Tax. The 4.99% increase was approved by a large majority. Several thousand residents will benefit from a more generous Council Tax reduction scheme this year. The increased costs of adult social care, the increase in looked after children and the effects of the pandemic are the main reason for the above inflation rise in our Council Tax. I have attended virtual planning committee meetings and even some planning site visits last week. It was a joy to be outside and seeing the wonderful Herefordshire countryside. I have also attended Brimfield, Leysters and Kimbolton virtual Parish Council meetings and am supporting Speed Limit reductions proposed in Brimfield and Leysters.

Finally. I recently received this email from the Leominster Food Bank.

“We are very grateful for all the support and help we have had from the many organisations and individuals providing food, money and advice.” They are now situated in The Old Priory next to the Youth Hostel. Brimfield and other villages contribute nearly every week. There is great need but there is great generosity too so let’s keep up our support during this difficult time and many thanks to all the volunteers.

Happy Easter to everyone.

John

### **March 2021 report from Councillor Felicity Norman**

Development in the north of the county continues to be on hold due to the high levels of phosphates in the River Lugg, mainly due to poor agricultural practice and the high number of intensive livestock units, but with a significant contribution from sewage works. This includes progress on the Baron's Cross Camp site, and other developments in the Leominster area. Work is continuing to try and reduce the pollution in our rivers.

Congratulations to Diane Thomas at Humber Woodland of Remembrance who have won the 2021 award for best natural burial ground in the West midlands for the third year running. Many of us in Leominster and around the county have friends and family at Humber and value it as a very special place.

The budget for the coming year has now been approved by Herefordshire Council, after many weeks of hard work to find a way of meeting the massive costs of dealing with Covid – 19, as well as the progressive measures that this administration wants to put in place. The government has recognised the increasing costs of providing care for those in need and has allowed Local Authorities to put up council tax by up to 4.99%. Consultation in the county indicated broad approval for this necessary step, and exemption for those who are struggling with reduced incomes and rising costs, will go some way to take the pressure off those most in need.

All children are now back in school, with preparations in place to keep everyone as safe as possible, including home testing for children and families. This will help to ensure that infections are picked up as early as possible and the numbers affected are kept as low as possible. Children and teachers are delighted to be back, catching up with friends and returning to familiar routines. Catch up work for pupils will be challenging as they have missed so much, in spite of on line learning and heroic efforts on the part of parents and teachers. It is also clear that the mental health of some children has been seriously affected by the lockdowns, with many showing high levels of anxiety, and that they will need extra support for some time to come.

The Council is consulting on an ambitious programme to refurbish and improve the Special schools in the county, some of which are in poor condition and in need of major improvement. This includes our own Westfield School, where the proposal is to improve or re-build the school and increase the intake to 60. This may lead to their sixth form and the one at present at Barr's Court school being phased out, and young people attending the new Beacon sixth form college, which will open in September. Understandably, there is some concern about this, but it will help to keep travel time as low as possible for younger pupils, while opening up opportunities for older pupils.

The steady roll out of the vaccination programme is raising hopes that we can expect a lift to the lockdown not too far into the future, although I think it is likely that we will still have to take sensible measures for some time to come. We are all longing to see families and friends, and to have real meetings once again, and this will happen sooner if we stick to the guidance until the full programme of vaccinations has been achieved. We are all very grateful to everyone who has continued to work through the lockdown, and to those who are act with care, thinking of others in all their day to day activities.
